LOCAL NEWS.

WEATHER PROBABILITIES.—For this section fair and continued cold tonight. Wednesday fair and not so cold; light to fresh northerly winds, becoming westerly.

The Cold Wave.

The cold wave which settled over this section last Saturday night showed no relaxation last night, and the mercury this morning stood at 6°. There was but little wind, but the frost in the air was penetrating, and although the younger generation enjoyed skates and sleds, most people preferred to remain indoors. The vitrified brick roadways on some streets covered as they are by ice, afford fine rinks. There is no danger of "breaking in," although there is a likelihood of seeing constellations in cases of falls. Everything was frozen hard again this morning. The slight thaw which had occurred yesterday in places where the sun cast his beams was rendered solid again, and those who had to follow early morning occupations experienced as much difficulty with ice as they did yesterday. The river had undergone no apparent change this morning from conditions prevailing yesterday. An immovable mass of broken ice extended as far as the eye could reach. Gorges have formed in some places. The steamer Calvert left here yesterday evening for Baltimore. Her progress was slow and when abreast of River View she became jammed in the ice. It took her nearly two hours to forge her way from that point to Fort Washington. The Norfolk line is still running its steamer. The steamer Norfolk left last night and the Newport News came along about seven o'clock this morning. After she had made her landing here and proceeding on to Washington her wake became obliterated freezing over again. The Newport News encountered heavy ice almost from the mouth of the river. The B. & O. transfer service between this city and Shepherd's is still kept up, but, of course, the tugboat and barge encounter much difficulty.

The mercury at 3 o'clock this evening had risen to 24°.

U. S. Court.
[Judge Edmund Waddill presiding.]
The January term of the United States court opened for business in the Corporation Court room this morning, Judge Edmund Waddill presiding. This session of the court was held in the Corporation Court room owing to the condition of the United States Court room incident to repairs in progress. Among the court officers present were District Attorney Lewis, Assistant Attorney Miller, Clerk Bowden, Marshal Treat and others. The case of the J. L. Roper Lumber Company vs. Norfolk and Southern Railroad Company, removed from the State Court of Norfolk, was entered and removed to the U. S. Court at Norfolk.

U. S. vs. Virginia F. Burke, a suit to recover on a postoffice bond; case continued till next term.

C. E. Tyler, an old bankruptcy case; order for distribution of the small amount of funds in hand.

G. A. Nowland, administrator, vs. the Bowman act for compensation for property taken during the civil war. The District Attorney appeared and pleaded the statute of limitation; leave given plaintiff to file a demurrer and answer plea.

The grand jury was charged and returned the following:
Indictment against Donaldson-Shultz Co., for impeding navigation; a true bill.

Indictments against Joseph Holmes and Wm. Lee, for indecent exposure of person; not true bill.

The grand jury of the court then adjourned until tomorrow.

Stole a Box of Shirts.
A young colored man in passing S. Bernheimer & Co.'s store, southwest corner of King and Lee streets, this morning seized a box of woolen shirts and made off. Mr. Henry Crump, who was passing at the time, called upon him to stop, but the thief paid no attention to him and kept on. Attention having been attracted to the negro, he was pursued down Lee street to Duke and thence to Washington street, where he dropped the box and made his escape. Later Officer Knight arrested the negro. He gave his name as Will Bailey, and says he belongs to a gang of laborers employed in double-tracking southwest of this city. Several instances similar to the above have occurred in this city recently, and it is believed Bailey has been a party to other thefts.

Confederate Veterans.
The regular monthly meeting of R. E. Lee Camp, Confederate Veterans, was held at their hall last night, Commander K. Kemper presiding. A communication from the grand commander announcing the appointment of his staff was received and read. Several committees were their reports. The camp was the recipient of two handsome gavels. One through Comrade Gorman from Comrade D. G. Watkins, of Buckingham, Va., made from wood taken from the house in which Stonewall Jackson was born at Clarksburg, Va., the other made of wood from Monticello, from Comrade R. N. Crook, presented through Adjutant S. C. Boush.

Old Landmark Destroyed.
A log cabin, belonging to Mr. Peter Palman, situated near Accotink, Fairfax county, was destroyed by fire a few nights ago. The fire was the work of an incendiary. The cabin was built in 1801, and it is said the original owner was murdered. It was believed he had money buried in the cellar or yard, and burglars on one occasion endeavored to make the owner divulge the hiding place of his treasure, and when he refused they killed him. Since that time different persons who have occupied the cabin have told of alleged supernatural noises heard in and around the place.

Week of Prayer.
There was a fair attendance last night at Trinity M. E. Church where services connected with the week of prayer were held. The services were conducted by Rev. Dr. Brooke of the Second Presbyterian Church. The services will be held in the last-named church tonight and will be conducted by Rev. J. H. S. Ewell. The subject will be: "The Church of Christ—The one body of believers—called of God to win the world to Christ."

Mr. Courtland H. Smith is M. F. H. and Mr. Paul V. Portner secretary.

No Electric Lights.

Considerable adverse comment is made upon the fact that for several nights no electric lights have been burning in this city. This has occurred at an inopportune time, the streets and sidewalks being glazed with ice. Fortunately the moon has in a measure guided belated pedestrians and those compelled to be out after dark. There is some derangement of the electric light works which has produced these disagreeable conditions.

Police Court.

[Mayor G. L. Simpson Presiding.]
The following cases were disposed of this morning:
Otto Pfaff, arrested by Officer Allen for being drunk in the street, was dismissed with a reprimand.
Benjamin Scrivner, charged with stealing a cake of cheese, was dismissed for want of evidence.

The A. L. I.

At the weekly drill and meeting of the Alexandria Light Infantry held last night the following executive committee was chosen: Capt. King, chairman, and Sergeants Pierpont and Sullivan, Corporals Downey and Smith, and Privates Ashton and Parker.

The Gazette.

That old and reliable Virginia newspaper, the Alexandria Gazette, entered upon its 105th volume on New Year's day. We wish it many returns of the occasion. — [Petersburg Index Appeal.]
On the 1st of January the Alexandria Gazette entered its 105th year. To have lived in three centuries is the strongest possible proof that a newspaper is a good one. We never heard of any other kind of paper that lived that long.—[Norfolk Landmark.]

An Appeal.

The extreme cold weather of the last few days have brought so many needy ones to the attention of the Cooperative Charities Association that they find their funds about exhausted, and as so many of our friends of last winter did not respond to our call in December, we are compelled in behalf of the suffering to make another appeal. We have the suffering right at our own door. Let us ask ourselves the question, can we not give a little, as God has blessed us, so let us give. All contributions can be sent to Miss Virginia Burke, president, or Mrs. Jas. E. Alexander, secretary.

LOCAL REEVITIES.

The Young Men's Sodality Lyceum will hold a meeting to night, when the annual election of officers will take place.

Mr. George N. Saegmueller, of Alexandria county, has just completed his magnificent country home, near the Chain Bridge, which cost about \$40,000. The house contains all of the conveniences of a city home. One of the features of the house is a small chapel in the basement.

A new tug for the Smoot Sand Company, it is stated, will make its appearance on the river in the early spring. The new vessel is to be somewhat larger than the Rosalie, now in the service of the Smoot Company, and will be modern in all her appointments. The new tug of the Miller Company will also be ready for service in the spring.

A slight fire occurred at the residence of Mrs. Thomas Power, southeast corner of Prince and Pitt streets, early this morning. The flames were subdued by Mr. John Clapdore with an extinguisher from the Relief truck house and no alarm was sounded.

A dispatch from Fairfax says William Hopkins, who has been missing several days, was found dead on Saturday in his house. He lived alone near Fairfax station, and as yet the cause of his death is not determined.

New postoffices have been established in Virginia as follows: Halls Hill, Alexandria county, Harry L. Perry, postmaster; Luther, King William county, John W. Freeman, postmaster.

The Epiphany services that had been announced for 11 o'clock tomorrow morning at Christ Church will not be held owing to illness in the family of the rector.

All the mails were late today owing to the cold weather and the delays in the running of trains.

Laura V. Beckley, colored, died at her home, 714 Gibson street, last night.

The services announced for Grace Church tomorrow will be omitted.

The newly-elected officers of the Macabees were installed last night.

FOR ASSAULTING A SISTER OF CHARITY.

Flam Honacker, Sam Lucas and Thomas Easton, all colored, were indicted yesterday by the Ohio county, W. Va., grand jury for the assault, October 21, on a Sister of Charity in St. John's Home, at Elm Grove. Their cases were taken up as soon as the grand jury convened, and a short time later the trio had been formally indicted for burglariously entering the home and feloniously assaulting the sister. The victim of the outrage was not in condition to appear before the jury.

In his charge Judge Lewis S. Jordan spoke with special reference to the assault. He said the people of the county should be complimented for their forbearance. The fact amply demonstrated the law-abiding tendencies of the people. The court then described the crime. As soon as it retired the grand jury ordered all witnesses before it, and shortly before noon completed the hearing.

For some technical reasons the men could not be held on more serious charges but it is possible to send them all to the penitentiary for 30 years.

Don't Worry.

This is easier said than done, yet it may be of some help to consider the matter. If the cause is something over which you have no control it is obvious that worrying will not help the matter in the least. On the other hand, if with your control you have only to act. When you have a cold and fear an attack of pneumonia, buy a bottle of Chamberlain's Cough Remedy and use it judiciously and all cause for worry as to the outcome will quickly disappear. There is no danger of pneumonia when it is used. For sale by Richard Gibson.

Just One Minute.

One Minute Cough Cure gives relief in one minute, because it kills the microbes which tickle the mucous membrane, causing the cough, and at the same time clears the phlegm, drives out the inflammation and heals and soothes the affected parts. One Minute Cough Cure strengthens the lungs, wards off pneumonia and is a harmless and never-failing cure in all curable cases of Cough, Cold and Croup. One Minute Cough Cure is pleasant to take, harmless and good alike for young and old. Sold by all druggists.

A Very Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was also to give it up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by E. S. Leachester & Sons. Price 30 cents.
